Re: Request for Investigation of Todd Long for the Theft of Campaign Funds

Dear Mr. Herman:

Pursuant to 2 U.S.C. § 437g(a)(1), I hereby request that the Federal Election Commission initiate an investigation of Todd Long for the theft of tens of thousands of dollars in campaign funds in violation of 2 U.S.C. § 439a(b)(2) and 11 C.F.R. § 113.1(g).

Mr. Long is the Republican candidate seeking to represent the Ninth Congressional District of Florida in the U.S. House of Representatives. Mr. Long's principal campaign committee is Todd Long for U.S. Congress, FEC Identification Number C00517078. During the 2009-2010 election cycle, Mr. Long was a candidate for the Republican nomination to represent the Eighth Congressional District of Florida in the U.S. House of Representatives. During that election, Todd Long for Congress, FEC Identification Number C00469494 served as Mr. Long's principal campaign committee.

Mr. Long was the host of a radio talk show called *The Conservative Comeback* that aired in Central Florida on 540 WFLA AM. In 2009, Mr. Long entered into a co-publishing agreement with Creation House, a division of Strang Communications, to publish a book entitled *The Conservative Comeback: How to Win the Battle for the Soul of America*. See Creation House 2010 Catalog at 6 (attached as Exhibit 1). According to its web site, Creation House authors are required to enter into a co-publishing agreement that requires its authors to "purchase [a] significant quantity of [their own] books at a deep discount from the first press run." Creation House agrees to "purchase an amount of books to sell through the trade and pay [the author] a royalty for each book we sell." See <http://creationhouse.com/index.php/about-creation-house/why-creation-house#section2>

Accordingly, under his co-publishing agreement with Creation House, Todd Long had the personal obligation to purchase a significant number of copies of *The Conservative Comeback* with his own personal funds. In 2011, Mr. Long's wife initiated divorce proceedings against

him. As part of that process, Mr. Long was required to file a Family Law Financial Affidavit with the Ninth Judicial Circuit Court in Orange County, Florida. Mr. Long's Family Law Financial Affidavit shows that as of April 6, 2011 he still had a personal obligation to pay Strang Communications \$2,720. See Family Law Financial Affidavit of William Todd Long at 9 (attached as Exhibit 2). Later in the divorce proceedings, while seeking to avoid paying temporary support to his wife, Mr. Long said in open court that he was over \$400,000 in debt, including a personal debt owed to "Strained [sic] Communications." See Transcript of Hearing Before the Honorable Jenifer M. Davis at 46 (attached as Exhibit 3).

Instead of using his own money to meet his personal obligations, Todd Long stole \$44,499.99 in campaign funds from Todd Long for Congress and used it to purchase an unknown number of copies of *The Conservative Comeback* from Strang Communications. See Todd Long for Congress, January 31st Year-End Report, Schedule B at 6 (filed January 25, 2010); Todd Long for Congress, April 15th Quarterly Report at 18 (filed August 11, 2010); Todd Long for Congress, July 15th Quarterly Report at 40 (filed August 11, 2010); and Todd Long for Congress, 12-Day Pre-Primary Report at 32 (filed August 12, 2010)(attached as Exhibits 4, 5, 6 and 7 respectively).

Significantly, Todd Long tried to hide the fact that he was using campaign funds from Todd Long for Congress to purchase copies of *The Conservative Comeback* from Strang Communications. On the original version of its 2010 April 15th Quarterly Report, Todd Long for Congress reported that it made two payments of \$10,833.33 totaling \$21,666.66 to Strang Communications and stated that the purpose of these disbursements as "check." Todd Long for Congress, April 15th Quarterly Report at 20-21 (filed April 13, 2010)(attached as Exhibit 8). On June 8, 2010, the Federal Election Commission sent a request for additional information to Todd Long for Congress asking the committee to clarify the use of the description "noteck" as the purpose for the \$21,666.66 in expenditures to Strang Communications. See Letter from Federal Election Commission to Rosa Alvarez, Treasurer, Todd Long for Congress at 2 (June 8, 2010)(attached as Exhibit 9). It was only after he was caught trying to hide the true purpose of the two \$10,833.3 expenditures to Strang Communications that Todd Long filed an amended April 15th Quarterly Report disclosing that the real purpose of the expenditures was for "books/printing." See Exhibit 5.

Moreover, Todd Long apparently continues to use campaign funds to distribute copies of *The Conservative Comeback* in his current campaign to represent the Ninth Congressional District of Florida. Todd Long for U.S. Congress recently reported spending \$6,510 to mail out copies of *The Conservative Comeback*. See Todd Long for U.S. Congress, 12-Day Pre-Primary Report at 8-9 (filed July 24, 2012)(attached as Exhibit 10).

As you know, the Federal Election Campaign Act specifically prohibits a candidate for federal office from using campaign funds to pay the personal obligations of the candidate. The Act states that "a contribution . . . shall not be converted by any person to personal use." 2 U.S.C. § 439a(b)(1). The Act further specifies that "a contribution . . . shall be considered to be converted to personal use if the contribution . . . is used to fulfill any commitment, obligation, or expense of a person that would exist irrespective of the candidate's campaign" 2 U.S.C. § 439a(b)(2). The FEC's implementing regulations define the term "personal use" to mean "any use of funds

in a campaign account of a present or former candidate to fulfill a commitment, obligation or expense of any person that would exist irrespective of the candidate's campaign" 11 C.F.R. § 113.1(g).

It is clear what happened here. Mr. Long is entitled to attempt to bolster his career as a radio talk show host by entering into a contract with a vanity publisher to co-publish a book with the same name as his radio show. What Mr. Long is not allowed to do, however, is to steal nearly \$45,000 in campaign funds to satisfy his personal contractual obligations to his publisher. Nor is he allowed to knowingly and corruptly attempt to cover up this substantial theft of campaign funds by filing false reports with the Federal Election Commission.

Accordingly, I hereby request that the Federal Election Commission initiate an investigation of Todd Long for multiple violations of 2 U.S.C. § 439a(b)(2) and 11 C.F.R. § 113.1(g), impose appropriate sanctions and take any further action that may be appropriate, including referring this case to the Department of Justice for any action it may deem necessary.

Sincerely,

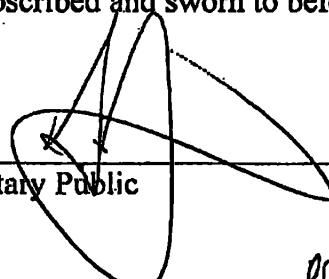

Scott Randolph

P R O C E E D I N G S

1
2 THE COURT: We're here on DR-2011-1432, Long
3 versus Long. Before we begin, I want to say I know
4 Mr. Long. I like Mr. Long. I know -- I met him
5 probably about four years ago, and I've been in
6 social -- around social events, mostly because we
7 both would be running campaigns around the same
8 time, so I want to tell that. I wanted to give
9 that information so that you can talk to your
10 client and decide if you wish to go forward with
11 me.

12 (Pause.)

13 MS. STROWBRIDGE: Your Honor, my client would
14 inquire of the Court if the Court believes that she
15 can be fair and impartial in this case.

16 THE COURT: Of course.

17 MS. STROWBRIDGE: Then we would like to remain
18 assigned to you.

19 THE COURT: Mr. Long, are you comfortable
20 going forward?

21 MR. LONG: Yes, Your Honor.

22 THE COURT: Then with that, I believe it's
23 your motion?

O P E N I N G S T A T E M E N T S

24
25 MS. STROWBRIDGE: It is, Your Honor. We have

1 Q Well, are you disputing any of the other debts
2 we have here: Strained Communications, deBeaubien
3 Knight, are you disputing any of our debts or the fact
4 that we're over \$400,000 in debt?

5 A No. I don't have anything to do with your
6 business handlings.

7 Q But you can at least tell the judge we are
8 certainly hundreds of thousands of dollars in debt at
9 this point; correct?

10 MS. STROWBRIDGE: Your Honor, my objection
11 would be on relevance, that we're here for
12 temporary support. It's about income, not about
13 debt.

14 He's already indicated that he's contemplating
15 filing for bankruptcy, so I don't know the
16 relevancy of the debt unless he's going to try to
17 establish that he's actually making payments on
18 that debt.

19 THE COURT: Overruled.

20 THE WITNESS: What was the question?

21 BY MR. LONG:

22 Q Yeah, that we are -- right now we are hundreds
23 of thousands of dollars in debt; is that correct?

24 A I know with the business dealings that you had
25 that you owe money on that.

FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20463

RQ-2

June 8, 2010

Rosa Alvarez, Treasurer
Todd Long for Congress
399 Carolina Avenue, Suite 2
Winter Park, FL 32789

Identification Number: C00469494

Response Due Date:
July 13, 2010

Reference: Amended April Quarterly Report (1/1/10 - 3/31/10), received 4/22/10

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. Failure to adequately respond by the response date noted above could result in an audit or enforcement action. Additional information is needed for the following 5 items:

1. Your report contains incorrect Column B figures for Lines 6(a), 6(c), 7(a), 7(c), 11(a)(iii), 11(d), 11(e), 16, 17, and 22 of the Summary and Detailed Summary Page information. When aggregating and reporting receipts and disbursements, candidate committees are required to disclose their activity on an election-cycle basis, from 11/5/08 to 11/2/10. Please amend your report to show election cycle-to-date figures for all aggregate amounts. (2 U.S.C. § 434(b))
2. The beginning cash balance of this report does not equal the ending balance of your Amended Year End Report, received 4/23/10. Please correct this discrepancy and amend all subsequent reports(s) that may be affected by the correction. (2 U.S.C. § 434)(b)(7))
3. Some of the contributions itemized on Schedule A of your report appear to have incorrect values in the "Election Cycle-to-Date" field. This field should reflect the total amount that the committee received from the contributor in the current election cycle, from 11/5/08 through the date of receipt of the contribution. (11 CFR § 104.3(a)(3)) Some of the election cycle-to-date totals reported on your Schedule A do not appear to include all contributions from the contributor received in this election cycle. Failure to correctly total contributions received from a given source in the

14044351813
10030344113

election cycle could lead to acceptance of excessive contributions by the committee. Please note that this problem frequently occurs when the contributor name is entered in the committee's electronic reporting database more than once using a different spelling and/or format. This prevents the database from properly aggregating contributions from the same individual or entity. Entering correct election cycle dates and ensuring that the name of each contributor is entered into the database only once would help avoid election cycle-to-date errors. When reporting contributions from political action committees, using the contributor's FEC identification number will help prevent duplicate entries.

Please review your procedures for compliance with this requirement and amend your report(s) as necessary. Incorrect aggregate election cycle to date totals for contributors listed on your report include the following:

<u>Name</u>	<u>Date</u>	<u>Amount</u>	<u>Reported ECTD Total</u>	<u>ECTD Total Calculated by the FEC</u>
Croson, Jim	10/30/2009	\$500.00		
Croson, James	1/5/2010	\$500.00	\$500.00	\$1,000.00
Long, William T.		\$30,000.00		
Long, William	1/8/2010	\$5,000.00	\$5,000.00	
Long, William	2/5/2010	\$5,000.00	\$10,000.00	
Long, William	2/8/2010	\$13,100.00	\$23,100.00	
Long, William	3/30/2010	\$0.00	\$23,100.00	
Long, William	3/30/2010	\$11,400.00	\$34,500.00	\$64,500.00

If you need more information, please contact the undersigned analyst.

4. On Schedule B of your report, you failed to provide the purpose for itemized expenditures. Federal Election Commission (FEC) regulations require that you disclose the purpose for each expenditure made by your committee to a person/vendor in which the aggregate amount of payments made to that person/vendor exceeds \$200 for the election cycle. Please amend Schedule B of your report to include the missing information. (11 CFR § 104.3(b)(4))

5. Itemized disbursements must include a brief statement or description of why each disbursement was made. Please amend Schedule B supporting Line 17 of your report to clarify the following description: "check." For further guidance regarding acceptable purposes of disbursement, please refer to 11 CFR 104.3(b)(4)(A).

14044351814
10030344114

Additional clarification regarding inadequate purposes of disbursement published in the Federal Register can be found at http://www.fec.gov/law/policy/purposeofdisbursement/inadequate_purpose_list_3507.pdf.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. Requests for extensions of time in which to respond will not be considered.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1138.

Sincerely,
